SUBMISSION GUIDELINES

Authors are encouraged to submit abstracts **with particular regard (but not only) to the use of Sucrosomial® iron supplementation and its benefits in different diseases**

Main topics related to:

- Iron deficiency and iron deficiency anemia
- Iron and erythropoiesis
- Iron and anemia in cancer and hematologic diseases
- Iron and anemia in chronic kidney disease
- Iron and anemia in surgery
- Iron and anemia in bariatric surgery
- Patient blood management
- Iron and anemia in cardiac diseases
- Anemia of chronic disease (or anemia of inflammation)
- Iron metabolism and biology
- Iron and anemia in other general conditions

The full paper (abstract titles, authors, institutions, abstract text, figures, tables, disclosures) **should fit in a A4 page** (2.5cm margins), written in **Word format** typed using single line spacing. **Font style: Times New Roman; Font size: 12.**

The document should include the following items in this order:

- **Abstract title** in UPPERCASE (please do not use abbreviation)
- **Authors name:** first name and surname of all authors must appear in the abstract.

- **Authors' affiliation** should be typed under the list of authors' names. (please, refer to multiple author's affiliations with superscript numbers placed immediately after each author's name)
- **Abstract body text**

The following structure needs to be followed for the abstract text submission:

- **Background**
- **Objectives**
- **Methods**
- **Results**
- **Conclusions**

Graphics, Figures (JPEG and TIFF, only) and **Tables** can be embedded in the text.

It is highly recommended to refer to Sucrosomial® iron instead of Liposomal® iron in studies done with such iron patented source.

The organizers reserve the right to replace Liposomal® iron trademark with Sucrosomial® iron in all the abstracts accepted

Abstracts not in accordance with the above instructions may be sent back to the author for revisions prior to review.

Once submitted by email, a confirmation that the abstract has been correctly received and forwarded for review will be sent.

Please, check spelling and grammar carefully before submitting. Any errors in spelling, grammar or scientific data will be reproduced as submitted.

Abstracts containing previously presented data are eligible for submission. However, inclusion of updated data is encouraged.

Case reports are accepted too for abstract submission.

There is **no limit** to the number of abstracts that an author can submit.

Notification regarding acceptance or rejection of abstracts will be sent to the presenting author by email before **March 11th 2018**, along with instructions for oral or poster presentation.

In order to **revise or change** submitted abstracts an email must be sent to info@ironanemicourse.com indicating the abstract title submitted and 1st Author or submitter name and surname. The Scientific Committee reserves the right to accept or reject any revisions or changes.

Organizing secretariat will provide a print and display service to all the accepted abstracts in a dedicated poster area at the congress venue.

All the abstracts will be displayed throughout the duration of the Course
